REQUEST FOR TEMPORARY UTILITY TURN ON (ELECTRICAL AND GAS)

City of Stafford
2610 South Main
Stafford, 77477 Texas
(281) 261-3940

The use of temporary utilities for construction purposes and test of equipment at:

I, as Owner/Agent/General Contractor _____
(Please print)

I, as Electrical/Plumbing Contractor _____
(Please print)

Electrical/Plumbing working permit # _____ Building permit # _____

Business Phone _____ Date: _____

Request the use of temporary utilities for construction and the testing of equipment. I understand that this in no way gives me permission to occupy or use for storage purposes, any building or portion thereof, unless all permits on the building or portion to be occupied has been inspected, approved and a certificate of occupancy issued. We further understand that the temporary utilities may be disconnected for any violation. The general contractor and owner assume the responsibility for any violation of any City ordinance by the sub-contractor.

Temporary (Electric or Gas) permits are in force for three months (90) days only. If more time is required to complete the building, a new permit is required and a new application shall be submitted.

The undersigned hereby agrees to indemnify and hold forever harmless, the City of Stafford, its officers, and employees from any and all claims or causes or action alleged to have been caused directly or indirectly by the temporary use of utilities for which this application is made.
